REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Claims 1-12 are allowed over the prior art of record. Current invention claims a switching device with the first electrode having a layer formed of a first carbon series material and a group of fine holes. First metal material is buried in the fine holes. Second electrode has a layer formed of a second carbon series material and a group of fine holes. Second metal material is buried in the fine holes. Such claimed structure, in combination with claimed limitations of claim 1 or 11, are neither disclosed nor suggested by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
